

REMARKS

Claims 1-36 are pending in the present application and were allowed in the Notice of Allowance mailed July 17, 2009. Applicant hereby requests correction of several typographical errors found in the previous listing of claims in an Amendment after Final filed on June 6, 2008, as well as an uncompleted reference to a co-pending application found in paragraph [0046]. In particular, claims 6, 10, 21, 33, and 36 are amended to merely cure typographical errors, and the amendment to paragraph [0046] simply adds U.S. patent application information that is public record. Accordingly, this amendment does not change the scope of the claims or application. Accordingly, Applicant respectfully requests entry of this amendment.

The Commissioner is hereby authorized to charge payment of any fee(s) or underpayment of fee(s) or credit any overpayment(s) associated with this reply to Deposit Account No. 17-0026.

Respectfully submitted,

Dated: 2/3/2010
